

**Manufacturer of the World's Best Tools
introduces the next generation of
Hickory Handled Hammers**

**Ball Pein
Hammers**

**Claw & Ripping
Hammers**

Shock absorbing American hickory handles with laser etched Nupla logo

Handles are lacquer finished and made in the USA

Contoured grip end provides a secure hand hold during hard blows

Top quality drop forged, heat treated Nupla carbon steel heads

Heads on short handled hammers are chemically bonded for safety & performance - The most secure head-handle connection

Ideal head-to-handle weight distribution , a key factor in overall hammer balance.
